INTRODUCTION TO SAILING  **\$95/person***

This 3-hour, on-the-water session is an excellent opportunity to enjoy a sensory evening on Lake Michigan and learn what it is like to operate a modern sailing keelboat. After learning some basics about sailing theory, boat handling and terminology you will be steering and trimming the sails with a new appreciation for this elegant sport. And by the time you return to the dock for our complementary cookout, your transformation from a landlubber to old salt will be well underway.

Tue 5:30 - 8:30 p.m.

* While this session provides a valuable insight into the world of sailing, it should not, in any way, be relied upon as a substitute for comprehensive sailing instruction. Participants who register for Basic Sailing 101 within 7 days of Introduction to Sailing will be credited \$50.

BASIC SAILING 101 

Learning to sail could not be easier or more convenient. With new courses beginning every week, you have the choice of weekday, evening or weekend sessions. The 101 course provides 15+ hours of on-the-water instruction. And since our courses are limited to four students, your individual attention is assured. Our professional instructors teach the skills you will need to rent boats and sail all summer!

Register early to ensure your first course choice. Ask about alternative schedules and group discounts.
